## 2<sup>nd</sup> CIRCULAR

### XXIII. SLOVAK AND CZECH PLANT PROTECTION CONFERENCE

**10 – 12 September 2024**  
**Nitra, Slovak Republic**

**under the auspices of**

**prof. Ing. Marko HALO, PhD.**

Dean of the Faculty of Agrobiolgy and Food Resources SUA in Nitra

## INVITATION

On behalf of the Organising Committee, we would like to invite you to the XXIII. Slovak and Czech Conference on Plant Protection to be held at the Slovak University of Agriculture in Nitra. Our aim is to create a creative and inspiring atmosphere of a scientific conference, whose programme will provide a wide range of valuable information and opportunities for developing existing and establishing new contacts and forms of cooperation in the field of basic and applied research in plant protection.

We are looking forward to the meeting in Nitra!

**Theme of the conference:** New challenges and trends in plant protection

**Conference languages:** Slovak, Czech, English

**Forms of presentation:** oral presentation, poster

### Framework program

Day	in the morning	in the afternoon	evening
10. 9. 2024 (Tuesday)	Registration, Plenary session	Discussion in sections, Poster discussion	Social evening
11. 9. 2024 (Wednesday)	Discussion in sections	Poster discussion	-
12. 9. 2024 (Thursday)	accompanying professional program - Topoľčianky excursion		-

### PUBLICATIONS FROM THE CONFERENCE

Proceedings of the abstracts (electronic form on the conference website + 1 USB key for each registered participant). 1 contribution (abstract) = 1 page (recommended language – English).

### INSTRUCTIONS FOR WRITING AND SUBMITTING CONTRIBUTIONS

- Forms, instructions, and templates for submitting contributions are available on the conference website.
- In the registration form, it is necessary to indicate the form of presentation and the section in which the contribution should be included. In case of ambiguities, the Scientific Committee will have the right to reassign the contribution to another section or to change the form of presentation.

### PROFESSIONAL SECTIONS:

- Virology and bacteriology
- Mycology
- Animal pests
- Herbology

- Abiotic stress of plants

## INSTRUCTIONS FOR LECTURERS

- Presenters will have a limited time - 15 minutes for presentation + 5 minutes for discussion.
- PC + beamer will be available in the sections.
- Special requirements must be discussed in advance with the conference secretariat.

## INSTRUCTIONS FOR POSTER PRESENTATIONS

- Posters will be mounted on boards with the assigned number and title of the poster on the first day of the conference. The poster discussion will be held from the first day as outlined in the Framework Programme.
- The poster size is max. 80 x 110 cm.
